

Laura T. Pizzi, PharmD, MPH, RPh
Curriculum Vitae

Email: laura.pizzi@rutgers.edu
Office phone: (848) 445-6825

Expertise: Applied health economic and outcomes analyses of drugs and other healthcare interventions. Strong methodological expertise in designing and conducting economic analyses (cost effectiveness, cost benefit) alongside clinical trials and constructing health economic models (budget impact, decision analytic, Markov simulation). Seasoned educator on these topics. Research profile available at: https://www.researchgate.net/profile/Laura_Pizzi

Education:

- | | |
|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2003 | Masters in Public Health (epidemiology/quantitative methods cross track), Rutgers School of Public Health, Piscataway NJ |
| 1997 | Fellow, Pharmacoeconomics and Outcomes Research, University of Pennsylvania Medical Center, Philadelphia PA |
| 1996 | Doctor of Pharmacy (PharmD) – conferred with BS in Pharmacy (with honors) via doctoral track in program, Rutgers Ernest Mario School of Pharmacy, Piscataway NJ |

Positions:

- | | |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| January 2017-present | Director, Health Outcomes, Policy and Economics (HOPE) Program, Rutgers University |
| June 2015- present | Chair, Faculty Advisor Council, International Society for Pharmacoeconomics and Outcomes Research |
| December 2015-May 2017 | Co-Chair of Research, International Society of Pharmacoeconomics and Outcomes Research Annual Meetings |
| July 2013-January 2017 | Professor, Department of Pharmacy Practice, Jefferson College of Pharmacy |
| July 2010-July 2013 | Associate Professor, Department of Pharmacy Practice, Jefferson College of Pharmacy |
| August 2007-July 2010 | Director, Doris N. Grandon Center for Health Economics and Outcomes Research, Jefferson School of Population Health, Philadelphia PA |

July 2003-August 2007	Associate Director of Research, Department of Health Policy, Jefferson Medical College, Philadelphia PA
July 2001-July 2003	Project Director, Office of Health Policy and Clinical Outcomes, Thomas Jefferson University, Philadelphia PA
February 2001-July 2001	Consultant in Pharmacoeconomics Research, Office of Health Policy and Clinical Outcomes, Thomas Jefferson University, Philadelphia PA
September 2000-February 2001	Consultant in Pharmacoeconomics Research, SimStar Internet Solutions, Princeton NJ and Epotec Inc., Wilmington, Delaware
August 1999-August 2000	Project Manager in Outcomes Research, HealthAnswers.com, a division of HealthAnswers, Inc., Pennington NJ
August 1998- July 1999	Manager, Outcomes Research, Hastings Healthcare Group, Pennington NJ
July 1997- August 1998	Clinical Information Specialist, Hastings Healthcare Group Pennington NJ
February 1996- July 1996	Pharmacist, CVS Pharmacy, Bergen County New Jersey

Faculty Appointments:

February 2017-present	Professor, Department of Health Systems and Policy, Rutgers School of Public Health, Piscataway NJ
January 2017-present	Professor, Department of Pharmacy Practice, Ernest Mario School of Pharmacy, Rutgers University, Piscataway NJ
July 2013-January 2017	Professor, Department of Pharmacy Practice, Jefferson College of Pharmacy, Philadelphia PA
November 2004-January 2017	Full Member, Graduate Faculty, Jefferson College of Graduate Studies, Philadelphia PA
July 2010-July 2013	Associate Professor, Department of Pharmacy Practice, Jefferson College of Pharmacy
January 2009-June 2010	Associate Professor, Jefferson School of Population Health
November 2005-January 2009	Research Associate Professor of Health Policy, Jefferson Medical College, Philadelphia PA
August 2006-August 2007	Adjunct Assistant Professor of Pharmaceutical Business, University of the Sciences in Philadelphia, Philadelphia PA
September 1999-September 2001	Adjunct Instructor, Rutgers University College of Pharmacy, Piscataway NJ
March 1998-March 1999	Adjunct Clinical Assistant Professor, University of Rhode Island College of Pharmacy, Kingston RI

Teaching Experience:

Program Director

- 2017-present Program Director, Masters of Science in Health Outcomes, Policy, and Economics, Rutgers University
- 2008- 2010 Program Director, Masters of Science in Applied Health Economics. Jefferson School of Population Health

Course Instructor

- 2017-present Course Instructor, Independent Research Elective in Health Economics, Rutgers School of Public Health, Piscataway NJ
- 2012-2016 Course Instructor, PHRM 599 Independent Research Elective in Pharmacoeconomics, Jefferson College of Pharmacy, Philadelphia PA.
- 2011-2016 Course Instructor, PHRM 551 Pharmacoeconomics and Health Outcomes, Jefferson College of Pharmacy, Philadelphia PA
- 2008-2016 Course Instructor, PHRM 519 Healthcare Delivery Systems, Jefferson College of Pharmacy, Philadelphia PA
- 2010 Course Instructor, PB 772 Principles of Pharmaceutical Economics, Ernest Mario School of Pharmacy, Rutgers University, Piscataway NJ
- 2006-2009 Course Instructor, Health Policy 401 (clerkship experience for 4th year medical students), Jefferson Medical College, Philadelphia PA
- 2003-2009 Course Instructor, GC650: Economic Analysis of Health Care Interventions, Jefferson College of Graduate Studies, Philadelphia PA
- 2006-2007 Course Instructor, Introduction to Health Policy, Department of Pharmaceutical and Healthcare Business, University of the Sciences in Philadelphia, Pharmaceutical MBA Program (online course)
- 2005-2006 Course Instructor, Clinical Research: From Policy to Practice, Thomas Edison State College, Trenton NJ (online course)
- 2004 Co-Instructor, PB772: Introduction to Health Policy, University of the Sciences of Philadelphia, Pharmaceutical MBA Program

Lecturer

- 2011-present PB 772 Principles of Pharmaceutical Economics, Ernest Mario School of Pharmacy, Rutgers University, Piscataway NJ
- 2013-2016 PHRM 572 Academic Pharmacy, Jefferson College of Pharmacy, Philadelphia PA

2012-2016 PHRM 511 Biostatistics, Jefferson College of Pharmacy, Philadelphia PA
 2015 MEDS I6200 Cost Analysis and the Business of Translation in Healthcare. Grove School of Engineering, City College of New York, New York, NY

2011-2013 PHRM 563 Women's Health, Jefferson College of Pharmacy, Philadelphia PA

2013 GC 650 Economic Analysis of Healthcare Interventions, Jefferson Graduate School of Biomedical Sciences, Philadelphia PA

2008-2011 PH506: Health Services Research, Jefferson College of Population Health, Philadelphia PA

2002-2007 GC515: Quality Measurement and Outcomes Analysis, Jefferson College of Graduate Biomedical Sciences, Philadelphia PA

Mentoring Experience

2018 Capstone Advisor for Alex Cockerham and Brian Ung, Masters of Science in Health Outcomes, Policy, and Economics, Rutgers University

2017 Capstone Advisor for Joseph Guilfoyle, Rina Mehta, and Mary Smart, Masters of Science in Health Outcomes, Policy, and Economics, Rutgers University

2015 Thesis Advisor for Maura Bocan, Masters of Biomedical Sciences Program, Jefferson Graduate School of Biomedical Sciences, Philadelphia PA

2015 Preceptor for Lauren Karel PharmD, PGY2 Residency rotation in pharmacoconomics research, Thomas Jefferson University Hospital, Philadelphia PA

2014 Capstone Project Advisor for David Winters, Masters of Biomedical Sciences Program, Jefferson Graduate School for Biomedical Sciences, Philadelphia PA

2013-2014 Faculty Mentor for Ginah Nightingale PharmD, American Society for Health Systems Pharmacy New Investigator Grant

2012-2013 Faculty Mentor for Ginah Nightingale PharmD, American Society for Health Systems Pharmacy Research Boot Camp and American Association of Colleges of Pharmacy New Investigator Grant

2012-2013 Capstone Project Advisor for Camila Zangalli MD, Masters of Public Health Program, Jefferson School of Population Health, Philadelphia PA

2012-2013 Capstone Project Advisor for Jason Schafer PharmD, Masters of Public Health Program, Jefferson School of Population Health, Philadelphia PA

2010-2011 Capstone Project Advisor for Neil Seligman MD, Masters of Public Health Program, Jefferson School of Population Health, Philadelphia PA

2010-2011	Preceptor, Introductory Pharmacy Practice Experiences in Pharmacoeconomics, Jefferson College of Pharmacy, Philadelphia PA
2003-06; 2009-10	Fellowship Director, Department of Health Policy, Jefferson Medical College, Philadelphia PA
2007-2010	Preceptor, Advanced Pharmacy Practice Experience in Pharmacoeconomics, University of the Sciences, Philadelphia PA

Effectiveness of a clinic-based intervention to improve follow-up adherence to vision care in patients with diabetes. Poster presentation at the 141st American Public Health Association Annual Meeting and Exposition, Boston Massachusetts, November 2013
23. Murchison AP, Dai Y, Leiby B, Hark LA, **Pizzi LT**, Haller JA. Predictors of eye care utilization in patients with diabetes: a retrospective analysis from a tertiary care center. Poster presentation at the 141st American Public Health Association Annual Meeting and Exposition, Boston Massachusetts, November 2013.
24. Storey P, Dai Y, Murchison AP, **Pizzi LT**, Hark LA, Leiby B, Haller JA. Best practices for analyzing real-world data: Comparing methodologies for imputing ethnicity in a high volume urban clinic. Poster presentation at the 141st American Public Health Association Annual Meeting and Exposition, Boston Massachusetts, November 2013
25. **Pizzi LT**, Karp JK, Galanis P, Prioli KM, Herman JH. Comprehensive cost analysis of fresh frozen plasma in an urban hospital setting: an observational and decision analysis. Poster presentation at the AABB Annual Meeting, Denver Colorado, October 2013. (top poster award)
26. **Pizzi LT**, Seligman N, Jutkowitz E, Prioli K, Baxter J, and Berghella V. Cost-effectiveness of vaginal progesterone gel in reducing preterm birth: a decision analytic model based on the PREGNANT randomized clinical trial. Poster presentation at the 18th Annual International Meeting of the International Society for Pharmacoeconomics and Outcomes Research, New Orleans, Louisiana, May 2013.
27. **Pizzi LT**, Jutkowitz E, Frick K, Suh D, Prioli K, Gitlin L. Healthcare and social service use and cost in depressed African American elders: results from the Beat the Blues randomized clinical trial. Poster presentation at the 18th Annual International Meeting of the International Society for Pharmacoeconomics and Outcomes Research, New Orleans, Louisiana, May 2013.

28. Prioli K, Schafer J, Fields Harris L, McCoy M, Barber E, Marthol-Clark M, **Pizzi LT**. Awareness and beliefs about pneumococcal and influenza vaccination among older African Americans: results from a survey of community-dwelling participants at an urban senior center. Poster presentation at the 18th Annual International Meeting of the International Society for Pharmacoeconomics and Outcomes Research, New Orleans, Louisiana, May 2013.
29. Levin A, **Pizzi LT**, Snitzer M, Prioli K. Barriers to follow up care in children with vision diseases: development of a conceptual framework and patient/caregiver survey through the Children's Eye Care Adherence Project. Poster presentation at the 18th Annual International Meeting of the International Society for Pharmacoeconomics and Outcomes Research, New Orleans, Louisiana, May 2013.
30. Tan WP, Fong ZV, Cowan SW, Evans SW, Keith SW, **Pizzi LT**, Berger AC, Chojnacki A, Palazzo F, Yeo CJ, Rosato EL. Laparoscopic versus open esophagectomy: a clinical and cost-effectiveness study. Poster presentation at the Southern Surgical Association Annual Meeting, Palm Beach Florida, December 2012.
31. Thoma BN, Li J, McDaniel C, Wordell CJ, **Pizzi LT**, Cavarocchi N. Clinical and economic implications of substituting dexmedetomidine for propofol or midazolam in patients undergoing coronary artery bypass graft surgery. Poster presentation at the Society of Critical Care Meeting 42nd Critical Care Congress, San Juan Puerto Rico, January 2013.
32. Li J, Thomas B, Wordell C, **Pizzi LT**, Cavarocchi N. Cost-benefit of substituting dexmedetomidine for propofol in patients undergoing isolated, elective coronary artery bypass graft surgery. Poster presentation at the 47th Annual ASHP Midyear Clinical Meeting, Las Vegas Nevada, December 2012.
33. Li J, McDaniel C, Thoma B, Wordell C, **Pizzi LT**, Mearns E, Cavarocchi N. Clinical and economic implications of substituting dexmedetomidine for propofol in patients during a recent national drug shortage: examination of hospital patients undergoing uncomplicated coronary artery bypass graft (CABG) surgery. Poster presentation at the Challenges in Critical Care Conference (PASCCM), Hershey Pennsylvania, August 2012. (Best Poster Award)
34. **Pizzi LT**, Jutkowitz E, Frick K, Suh DC, Prioli KM, Gitlin LN. Novel approaches to evaluating the cost effectiveness of a nonpharmacological depression intervention for older African Americans: results from the Beat the Blues Trial. Late breaker poster at the Gerontology Society of America Annual Meeting, San Diego California, November 2012.
35. Gitlin LN, Harris LF, McCoy M, Jutkowitz E, **Pizzi LT**, Wilson N. Closing the mental health disparity gap for older African Americans: the Beat the Blues Trial session. Research symposium presentation at the Gerontology Society of America Annual Meeting, San Diego California, November 2012.
36. Murchison AP, Dai Y, Leiby B, Hark LA, **Pizzi LT**, and Haller JA. Eye care utilization by patients with diabetes: a retrospective analysis targeted to improve follow-up adherence. Session presentation at the American Public Health Association 140th Annual Meeting and Expo, San Francisco California, October 2012.
37. Schaefer E, McMahon J, **Pizzi L**. Laying the groundwork for pharmacy quality measurement: evaluating the implementation of pharmacy performance reports. Poster presentation at the Academy Health Annual Research Meeting, Orlando Florida, June 2012.
38. Komura S, Law M, Hark LA, Murchison AP, **Pizzi LT**. Tele-ophthalmology in the community pharmacy setting: a novel model of care. Poster presentation at the International

Pharmaceutical Students Federation (IPSF) 58th Annual World Congress, Hurghada, Egypt, August 2012.

39. **Pizzi LT**, Jutkowitz E, Law M, Komura S, Gitlin L. Utility improvements from a depression home support program for older African Americans: results from the Beat the Blues trial. Poster presentation at the International Society for Pharmacoeconomics and Outcomes Research (ISPOR) 17th Annual Meeting, June 2012.
40. Murchison A, Hark LA, Haller JA, Malunda JA, Leiby B, Dai Y, **Pizzi L**. Access to eye care by patients with diabetes: a retrospective analysis. Research symposium presentation at the Association for Research in Vision and Ophthalmology (ARVO) Annual Meeting, Fort Lauderdale Florida, May 2012.
41. **Pizzi LT**, Jutkowitz E, Gitlin LN, Suh DC. Predictors of health utility in depressed older African Americans: Beat the Blues Trial results. Poster Presentation at the Gerontological Society of America's 64th Annual Scientific Meeting, Boston Massachusetts, November 2011.
42. **Pizzi LT**, Thomson L, Jutkowitz E, Vogenberg FR, Swift B, Merli G. Development of an economic model to improve the efficiency of anticoagulation care: experiences from a large urban U.S. academic health system. Decision Maker Case Study Presentation at the ISPOR 14th Annual European Congress, Madrid Spain, November 2011.
43. **Pizzi LT**, Thomson L, Jutkowitz E, Vogenberg FR, Swift B, Merli G. Development of an institutional cost of care model for anticoagulation management of patients with warfarin versus novel oral agents. Poster Presentation at the ISPOR 14th Annual European Congress, Madrid Spain, November 2011.
44. Yuen EJ, Dai Y, Leiby B, **Pizzi L**, Hark L, Murchison A, Haller J. A retrospective analysis using administrative data of factors that impact access to vision care for patients with diabetes. Oral Presentation on The INSIGHT Research Network: a new collaborative approach to strategies for improving population eye health. the American Public Health Association 139th Annual Meeting, Washington DC, November 2011.
45. Teti KG, Ohri N, Foley KA, Keith SW, Dicker AP, **Pizzi LT**, Gomella LG, Showalter TN. A Survey of Post-prostatectomy Radiation Therapy Practices for Prostate Cancer: Postoperative Utilization of IMRT and IGRT. *Fuel and Energy Abstracts* 10/2011; 81(2). DOI:10.1016/j.ijrobp.2011.06.724
46. Jutkowitz E, Gitlin L, **Pizzi LT**, Lee EH, and Dennis M. Cost-effectiveness of ABLE: a functional improvement program to decrease mortality in community-dwelling older adults. Poster presentation at the ISPOR 16th Annual International Meeting, Baltimore Maryland, May 2011.
47. **Pizzi LT**, Jutkowitz E, Gitlin L, Suh DC, and Dennis M. Baseline results from Beat the Blues: relationship between health utility and depression. Poster presentation at the ISPOR 16th Annual International Meeting, Baltimore Maryland, May 2011.
48. Gravino DA, **Pizzi LT**, Thomson E. How should pharmacists be trained on quality? Findings from the evaluation of the Pharmacy Quality Alliance (PQA) phase I demonstration project. Poster presentation at the 45th ASHP Midyear Clinical Meeting, Anaheim California, December 2010.
49. Jutkowitz E, **Pizzi LT**, Gitlin L, Foley K, Chernett N, McCoy M, Dennis M. Costs of a community support program for depression: results from the Beat the Blues (BTB) trial. Poster presentation at the ISPOR European Congress, Prague Czech Republic,

November 2010.

50. Showalter TN, Foley KA, Jutkowitz E, Lallas C, Harvey AJ, Trabulsi EJ, Gomella LG, Dicker AP, **Pizzi LT**. Costs of early adjuvant radiation therapy after radical prostatectomy: a decision analysis. Oral presentation at the American Society for Radiation Oncology (ASTRO) Annual Meeting, San Diego California, October 2010.
51. **Pizzi L**, Jutkowitz E, Meltzer M. Comparison of cost of allopurinol vs. febuxostat as a first line treatment for gout. Poster presentation at the EULAR Annual Conference, Rome, Italy, June 2010.
52. **Pizzi LT**, Naik M, Abouzaid S, Lee E, Jutkowitz EA, Parasuraman S, and Derk C. Injection site reactions with subcutaneous anti-tnf treatments for rheumatoid arthritis: results from a pilot study at an urban teaching hospital. Published in meeting abstract book for the EULAR Annual Conference, Rome Italy, June 2010. (Poster finalist ribbon)
53. Jutkowitz E, Gitlin L, **Pizzi LT**. Evaluating willingness to pay thresholds for a dementia caregiving intervention. Podium presentation at the ISPOR 15th Annual International Meeting, Atlanta, Georgia, May 2010. (Best New Investigator Podium Presentation award)
54. Lee EH, Jutkowitz E, Parasuraman S, Derk C, **Pizzi LT**. Injection site reaction questionnaire: an adequate tool for measuring injection site reactions. Poster presentation at the ISPOR 15th Annual International Meeting, Atlanta Georgia, May 2010.
55. **Pizzi LT**, Lee EH, Thompson E, Berman B. Medication therapy quality: a review of measures and conceptual framework to align physicians and pharmacists. Poster presentation at the ISPOR 15th Annual International Meeting, Atlanta Georgia, May 2010.
56. Hagan M, Lee EH, Arikian S, **Pizzi LT**. Comparative effectiveness index: a conceptual approach to comparative effectiveness research. Poster presentation at the ISPOR 15th Annual International Meeting, Atlanta, Georgia, May 2010.
57. Abouzaid S, Jutkowitz E, Foley KA, **Pizzi L**, Bates J, Kim E. Economic impact of prior authorization policies for the atypical antipsychotic aripiprazole in the treatment of schizophrenia. Poster presentation at the American Psychiatric Association, Institute of Psychiatric Service (IPS) Annual Meeting, New York NY, October 2009.
58. Toner R, Whitesell E, Couto J, Kim M, Royo M, **Pizzi LT**, Viscusi E. Rate and Treatment of nausea and vomiting following orthopedic procedures: an analysis of four cohorts at an academic teaching institution. Poster presentation at the American Society of Anesthesiologists Annual Meeting, New Orleans Louisiana, October 2009.
59. Jutkowitz E, Gitlin LN, **Pizzi LT**, Bunz T, Dennis M. P. Cost-effectiveness of a functional program to increase quality of life in community-dwelling older adults. Presentation at the 19th International Association of Gerontology and Geriatrics, Paris France, July 2009.
60. Jutkowitz E, Gitlin LN, Hodgson N, **Pizzi LT**. The Cost-effectiveness of a nonpharmacologic intervention for individuals with dementia and family caregivers: the Tailored Activity Program. Poster at the International Conference on Alzheimer's Disease, Vienna Austria, June 2009.
61. **Pizzi LT**, Abouzaid S, Naik M, Cobb N, Buchanan J, Parasurman S. PMS26 Characteristics and health care utilization resulting from injection site reactions with anti-tnf

treatments for rheumatoid arthritis: an analysis of cases at an urban teaching hospital. Poster presentation at the International Society of Pharmacoeconomics and Outcomes Research for the 14th Annual Meeting, Orlando, Florida, May, 2009

62. Jutkowitz E, Singh V, Richardson D, **Pizzi LT**. The cost of chronic pain to society and payers of healthcare services. Poster presentation at the 5th World Congress of the World Institute of Pain, New York NY, March 2009.
63. Jutkowitz E, Gitlin LN, **Pizzi LT**, Bunz T, and Dennis MP. Cost-effectiveness of a functional program to increase quality of life in community-dwelling older adults. Poster presentation at the Gerontological Society of America 61st Annual Scientific Meeting, Bar Harbor Maryland, November 2008.
64. Modersitzki F, **Pizzi LT**, and Goldfarb DS. Cystinuria causes worse health-related quality of life (HR-QoL) than non-cystine stones. Poster presentation at the American Society of Nephrology Renal Week, Philadelphia Pennsylvania, November 2008.
65. Chaudhari P, Richardson D, Singh V, **Pizzi LT**. Impact of nighttime pain on sleep quality in patients with chronic painful conditions. Poster presentation at the International Society of Pharmacoeconomics and Outcomes Research for the 13th Annual Meeting, Toronto Canada, May 2008.
66. Liao D, Richardson D, Singh V, and **Pizzi LT**. Complementary and alternative medicine and healthcare utilization in patients with non-cancer chronic pain. Poster presentation at the International Society of Pharmacoeconomics and Outcomes Research for the 13th Annual Meeting, Toronto Canada, May 2008.
67. **Pizzi LT**, Lee SP, Richardson D, and the Breakthrough Pain Study Group. Resource utilization due to breakthrough pain: results from a prospective study on patients with chronic painful conditions. Poster presentation at the International Society for Pharmacoeconomics and Outcomes Research 10th Annual European Congress, Dublin Ireland, October 2007.
68. **Pizzi LT**, Lee SP, Richardson D, and the Breakthrough Pain Study Group. Perception of breakthrough pain in patients with chronic painful conditions. Poster presentation at the International Society for Pharmacoeconomics and Outcomes Research 10th Annual European Congress, Dublin Ireland, October 2007.
69. **Pizzi LT**, Bunz TJ, Goldfarb DS, Singh AK, and Coyne D. Ferric gluconate yields cost savings in hemodialysis patients with high ferritin and low TSAT: results from the DRIVE studies. Poster presentation at the American Society of Nephrology Renal Week, San Francisco California, November 2007.
70. Short J, Maio V, **Pizzi LT**. Evaluation of the impact of the Philadelphia community pharmacy network program. Poster presentation at the American Pharmaceutical Association (APhA) Annual Conference and Exposition. Atlanta Georgia, March 2007.
71. **Pizzi LT**, McIlwain M, Dahl NV. Safety of transdermal oxybutynin in the treatment of overactive bladder among patients using other transdermal medications: results of the MATRIX study. Poster presentation at the 108th Annual Meeting of the American Society for Clinical Pharmacology and Therapeutics (ASCPT). Anaheim California, March 2007.
72. Hayes E, Almario C, **Pizzi LT**, Kraft W, and Baxter J. Low molecular weight heparin, the most cost effective treatment of venous thromboembolism. Poster presentation at the Society for Maternal Fetal Medicine (SMFM) 27th Annual Conference, San Francisco California, February 2007.

73. Hayes E, Freehill N, **Pizzi LT**, Baxter J. Nifedipine is the most cost-effective tocolytic. Poster presentation at the Society for Maternal Fetal Medicine (SMFM) 27th Annual Conference, San Francisco California, February 2007.
74. Hayes E, Almario C, **Pizzi LT**, Kraft W, Baxter J. Low molecular weight heparin, the most cost effective treatment of venous thromboembolism. American Journal of Obstetrics and Gynecology 12/2006; 195(6). DOI:10.1016/j.ajog.2006.10.301
75. Hayes E, Moroz L, **Pizzi LT**, Freehill N, Baxter J. Nifedipine is the most cost effective tocolytic. American Journal of Obstetrics and Gynecology 12/2006; 195(6). DOI:10.1016/j.ajog.2006.10.847
76. Sand PK, Kelleher C, **Pizzi LT**, and Dahl NV. Effect of treatment for overactive bladder on work productivity: results from the MATRIX study. Poster presentation at the International Urogynecological Association (IUGA) 31st Annual Meeting, Athens Greece, September 2006.
77. **Pizzi LT**, Gagne JJ, Lofland JH, Rupnow M, Smith KD, and Poston S. Effect of topiramate migraine prophylaxis on workplace productivity: results from two U.S. randomized, double-blind, placebo-controlled, multicenter trials. Poster presentation at the 48th Annual Scientific Meeting of the American Headache Society, Los Angeles California, June 2006.
78. Singh M, **Pizzi LT**, Lofland JL, Higashi M, and Patel N. Economic burden of work loss among sufferers of lymphatic filariasis: an eradicable global health problem. Podium presentation at the 11th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Philadelphia Pennsylvania, May 2006.
79. Talati AR, **Pizzi LT**, Dahl N, and Gemmen E. Validation of the work productivity questionnaire: results of the MATRIX study. Podium presentation at the 11th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Philadelphia Pennsylvania, May 2006.
80. Gagne JJ, Lofland JH, Rupnow M, Smith KD, Poston S, and **Pizzi LT**. Impact of topiramate for migraine prophylaxis on workplace productivity: results from two U.S. randomized, double-blind, placebo-controlled, multicenter trials. Podium presentation at the 11th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Philadelphia Pennsylvania, May 2006.

81. Talati AR, **Pizzi LT**, Dahl N, Gemmen E. Work productivity in patients with overactive bladder: Results from the MATRIX study. *Value in Health* 05/2006; 9(3). DOI:10.1016/S1098-3015(10)64613-X
82. **Pizzi LT**, Gemmen E, Dahl NV. Characteristics related to productivity loss in patients with overactive bladder: results from the MATRIX study. Podium presentation at the 8th Annual European Congress of the International Society for Pharmacoeconomics and Outcomes Research, Florence Italy, November 2005. (Best podium presentation)
83. Weston C, Poston S, **Pizzi L**, Goldfarb N, Sikirica V, Reifsnnyder J, and Maxwell T. Opioid use in a large national hospice population: examination of cancer versus non-cancer patients. Poster presentation at the 10th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Washington DC, May 2005.
84. Lofland JH, Rupnow M, Gagne JJ, Smith KD, Poston S, **Pizzi LT**, and Papadopoulos G. Impact of topiramate for migraine prophylaxis on workplace productivity: results from a U.S. randomized, double-blind, placebo-controlled, multicenter trial. Poster presentation at the American Academy of Neurology (AAN) Annual Meeting. San Diego California, April 2005.
85. Patel N, Goldfarb N, Hartmann CW, Maio V, Horn DL, and **Pizzi L**. Impact of complicated skin and soft tissue infections on inpatient costs for an academic medical center. Poster presentation at the 10th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Washington DC, May 2005.
86. Salvador CG, Sikirica M, Evans A, **Pizzi LT**, Goldfarb NI. Clinical and economic outcomes of patients with prolonged postoperative ileus undergoing hysterectomy and hemicolectomy at an academic medical institution. Poster presentation at the American Society of Health-Systems Pharmacists Midyear Clinical Meeting, Orlando Florida, December 2004.
87. Goldfarb NI, **Pizzi LT**, Fuhr JP, Salvador C, Sikirica V, Kornbluth, A, and Lewis B. Role of wireless capsule endoscopy in the diagnosis of Crohn's disease: an economic analysis. Poster Presentation at Digestive Disease Week, New Orleans Louisiana, May 2004.
88. Weston C, Sikirica V, **Pizzi L**, Goldfarb N, Moretti D, Cobb N, Howell J, Infantolino A, DiMarino A, Cohen S. Work Loss and Activity Impairment due to inflammatory bowel disease. Podium presentation at the 9th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Crystal City Virginia, May 2004.
89. Chess D, Goldfarb NG, **Pizzi LT**. Impact of pharmaceutical utilization measures on seniors. American Society on Ageing Conference: Care Management in an Ageing Society, Philadelphia Pennsylvania, October 2003.
90. **Pizzi LT**, Johnson NE, Carter CT, Howell JB, Vallow SM, Frank ED. Work loss and healthcare utilization among U.S. employees with chronic non-cancer pain. Podium presentation at the 8th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Crystal City Virginia, May 2003.
91. Belazi D, Crawford AG, **Pizzi LT**. Impact of direct to consumer advertising: the consumer search for information. Podium presentation at the 7th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Crystal City Virginia, May 2002.
92. Carter CC, Maio VM, **Pizzi LT**, Lofland JH, Lakhia P. Paving a road to success: how to obtain an outcomes research fellowship within the pharmaceutical industry. Podium presentation at the 6th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Crystal City Virginia, May 2002.

Seminars and Workshops:

January 2018	Economic Modeling: A Primer Based on the Requirements of the Academy of Managed Care Pharmacy, Ernest Mario School of Pharmacy, Piscataway NJ.
October 2017	Health Outcomes, Policy, and Economics at Rutgers: Vision and Strategy. Bowers Conference, Ernest Mario School of Pharmacy, Piscataway NJ.
July 2017	Research Showcase: Health Outcomes, Policy, and Economics. Rutgers Institute for Pharmaceutical Industry Fellowships Professional Development Day, Piscataway NJ.
2016	Community Report on the Pharmacists' Pneumonia Prevention Project. Center in the Park, Philadelphia PA.
April 2015	Cost and Outcomes of the Pharmacists' Pneumonia Prevention Project. Faculty Research Seminar. Jefferson College of Pharmacy, Philadelphia PA.
April 2015	Applied Health Economics in Action: Examples of Ongoing Cost and Cost Effectiveness Studies at Jefferson. Department of Family and Community Medicine Research Seminar, Sidney Kimmel Medical College, Philadelphia PA
February 2015	Preparing for Faculty Promotion: Suggestions towards Success. Faculty Development Lunch and Learn, Jefferson College of Pharmacy, Philadelphia PA.
June 2012-2015	Cost Analyses of Interventions in Older Adults, Summer Research Institute, School of Nursing, Johns Hopkins University, Baltimore MD
March 2014	Publishing Evidence for Today's Health Decision Makers: Health Economics and Outcomes Research for Medical Writers and Publication Professionals. Drug Information Association Medical Communications Conference, Orlando FL.
March 2014	The Children's Eye Care Adherence Program: Is it Cost-Effective for Wills to Hire a Pediatric Social Worker? Presentation at the 66 th Annual Wills Eye Hospital Annual Alumni Conference, Philadelphia PA.
December 2013	Burden of Eye Diseases: A Call to Action for Pharmacists. The Critical Role of the Pharmacist in Improving Outcomes for Patients with Common Eye Disorders. Continuing Education satellite symposium in partnership with Wills Eye Hospital held at the American Society for Health Systems Pharmacists, Orlando FL.
December 2013	Cost-effectiveness of a Major Glaucoma Detection Initiative in Philadelphia. Presentation at: CDC's Glaucoma Detection Project: Targeting High Risk Populations in Pennsylvania and Alabama. U.S. Centers for Disease Control and Prevention, Atlanta GA.
October 2013	Economic Analyses for Diseases of Aging. Monthly Research Seminar, Jefferson School of Population Health, Philadelphia PA.
September 2013	Panel Moderator. The Critical Role of the Pharmacist in Improving

- Outcomes for Patients with Common Eye Disorders. Continuing Education program in partnership with Wills Eye Hospital held at the Union League, Philadelphia PA.
- September 2013 Cost Effectiveness of Mindfulness-Based Art Therapy (MBAT) in Women with Breast Cancer. Presentation at: Applying Evidence from Economic Evaluations to Translate Cancer Survivorship Research into Care. National Cancer Institute, Rockville MD.
- August 2013 Faculty as Researchers: Expectations, Opportunities, and Resources at Jefferson. New Faculty Orientation, Thomas Jefferson University, Philadelphia PA
- June 2013 Update on the Vision Cost Special Interest Group. Wills Vision Research at Jefferson Annual Symposium, Wills Eye Hospital, Philadelphia PA
- May 2013 Keynote Speaker, Annual Awards Luncheon, The Dolphins of Delaware Valley, Wayne PA
- May 2013 Reactor Panelist, 22nd Annual Grandon Lecture, Jefferson School of Population Health, Philadelphia PA
- April 2013 Getting Engaged in Scholarship. Discussion with Jefferson College of Pharmacy students (organized by JSP Student Body Governance and Student Society of Health System Pharmacy).
- March 2013 Pharmacoeconomics as a Career Path. Presentation to Jefferson College of Pharmacy chapter of APhA-ASP.
- May 2012 Economic Considerations in a Changing ESRD Anemia Environment. Invited continuing education lecture to the Mid-Atlantic College of Clinical Pharmacy, Philadelphia PA.
- November 2011 Methods in Economic Analysis of Patient Support Programs in Aging. Pre-Conference Workshop. Gerontological Society of America 64th Annual Scientific Meeting, Boston MA.
- June 2011 Cost Effectiveness of Vision Care. Invited Presentation at the Jefferson Vision Research Center at Wills Inaugural Retreat, Wills Eye Hospital, Philadelphia PA
- June 2010 and 2011 Use of Surveys in Health Services Research. Invited lecture to the Health Services Research class, Jefferson School of Population Health, Philadelphia PA
- November 2010 Methods in Economic Analysis of Patient Support Programs in Ageing. Workshop at the ISPOR European Congress, Prague, Czech Republic.
- September 2010 Laying the Groundwork for Pharmacy Quality Measurement: Results from the Evaluation of the PQA Phase I Demonstration Project. AHRQ Annual Conference, Bethesda, MD
- August 2010 Adjusting Costs and Outcomes in Health Economic Analysis. Invited lecture to the Economic Evaluation in Healthcare Class, Jefferson College of Graduate Studies, Philadelphia, PA
- July 2010 and 2011 How to Write a Fundamentally Fundable Research Proposal. Invited lecture to the Medical and Scientific Writing class, Jefferson College of Graduate Studies, Philadelphia PA

March 2010 Applied Health Economics: Update from the Field and Case Study of Dermal Ablative Lasers. Invited lecturer for the New York Eye and Ear Infirmary Grand Rounds, Division of Otolaryngology, New York, NY

February 2010 Comparative Effectiveness Research: An Interactive Case Study of Low Risk Prostate Cancer. Invited moderator for the American College of Medical Quality Annual Conference, Crystal City, VA

September 2009 The Pharmacist's Role in Quality: Is the Profession Ready? Invited panelist. Agency for Healthcare Research and Quality (AHRQ) Annual Conference, Bethesda, MD

March 2008 Economics of Anemia Treatment in End Stage Renal Disease. Invited presentation given at the Renal Physicians Association (RPA) Symposium, Austin, TX

December 2007 Pharmacoeconomics for Medical Communications Professionals: What You Need to Know. Moderator of one-day training program at OrthoMcNeil Janssen Scientific Affairs, LLC, Titusville, NJ.

April 2007 The Employer's Role in Influencing Patient Compliance and Adherence. Invited presentation to the Center for Business Intelligence (CBI) 6th Annual Forum on Patient Compliance and Persistency, Philadelphia PA.

January 2007 Bariatric Surgery: Communicating the Value to Healthcare Payors and Purchasers. Invited presentation to the Tri-State Bariatric Surgical Association at Temple University, Philadelphia PA.

May 2006 Collecting and Using Productivity Data Alongside Clinical Trials. Workshop at the Podium presentation at the 11th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research, Philadelphia PA.

January 2006 Minimally Invasive: Minimally Reimbursed? Strategies for Employers Concerned with Surgical Value. Invited presentation to the NY Business Group on Health, New York NY.

November 2005 Economic Modeling Training Workshop. Invited presentation to international group of Johnson and Johnson employees, East Brunswick NJ

July 2005 Advanced Economic Modeling Training Program. Presentation to AstraZeneca U.S. employees, Philadelphia PA

November 2004 Quality of Life and Work Lost in Patients with Inflammatory Bowel Disease (IBD). Presentation to the Crohn's and Colitis Foundation of America (CCFA) Patient Support Group, Philadelphia-area chapter, Philadelphia PA.

Committees:

2018 Co-Chair, Work Group to Establish Competencies for New Professionals in Health Economics and Outcomes Research, International Society for Pharmacoeconomics and Outcomes Research

2017-present Member, Rutgers Population Health Working Group, Rutgers Biomedical and Health Sciences, Newark NJ

2015-2017	Member, EPIC Governance Academic Advisory Committee, Thomas Jefferson University Hospital
2015-2017	Member, Governance Committee, Jefferson College of Pharmacy
2014-2017	Member, Jefferson Committee on Research (JCOR), as well as Communication Subcommittee, Deans Transformational Science Award Subcommittee, and Interprofessional Research Subcommittee, Thomas Jefferson University
2008-2017	Member, Pharmacoeconomics and Clinical Effectiveness (PEACE) Committee, Thomas Jefferson University Hospital
2012-2014	Special Interest Group Leader, Vision Cost Research, Wills Center for Vision Research at Jefferson
2011-2014	Chair, Faculty Affairs Committee, Jefferson College of Pharmacy
2013	Faculty Representative from Jefferson College of Pharmacy to Thomas Jefferson University Lindback Award Selection Committee
2012	Interim Member, Faculty Senate, Thomas Jefferson University
2011-2102	Faculty Representative, Executive Council, Jefferson College of Pharmacy
2010	Member, Educational Mission and Program Planning Committee, Thomas Jefferson University
2009-2010	Chair, Committee on Research, Jefferson School of Population Health
2009	Member, Grade Appeals Board, Thomas Jefferson University
2007-2008	Member, Jefferson School of Population Health Planning Task Force
2007-2008	Member, Jefferson College of Pharmacy Curriculum Steering Committee
2004-2009	Member, Jefferson Masters in Public Health (MPH) Advisory Committee
2005	Member, Strategic Planning Committee, Jefferson College of Pharmacy

Congressional Testimony

December 2006	Testimony, U.S. House of Representatives Committee on Ways and Means, Hearing on Patient Safety and Quality Issues in End Stage Renal Disease Treatment, December 6, 2006. Available at: http://waysandmeans.house.gov/hearings.asp?formmode=view&id=5370

Editorial Board Memberships

2012-present	Deputy Editor, <i>American Health and Drug Benefits</i>
2011-present	Editorial Board, <i>PharmacoEconomics</i>
2012-2017	Editorial Board, <i>Population Health Matters</i>

Other Relevant Activities:

2018	Founding Board Member, Employer Provider Interface Council (EPIC)
2017-present	Co-Chair, Workgroup to Establish a Competency Inventory for New Professionals in Health Economics and Outcomes Research, International Society for Pharmacoeconomics and Outcomes Research
2017	Advisory Board Member, Diabetes Health Economics and Outcomes Research, Novo Nordisk.
2007-2017	Media Advisor, American Pharmacists Association
2006-2017	Faculty Advisor, Thomas Jefferson University Student Chapter of the International Society of Pharmacoeconomics and Outcomes Research (Jeff-ISPOR), Philadelphia PA (recognized as Student Organization of the Year in 2014 by the Jefferson Activities Office)
2015, 2016	Abstract reviewer for cost study submissions, Alzheimer's Association International Conference, Washington DC, July 2015
2015	Invited chapter reviewer, 2 nd U.S. Panel on Cost Effectiveness in Health and Medicine
2015	External reviewer, Comparative Effectiveness Research and Health Care Decision-Making. Editor: Carl Asche, PhD
2014-2015	Participant, Teaching for Quality (Te4Q) leadership program, American Association of Medical Colleges (AAMC)
2014	Reviewer, <i>Health Affairs</i> and the <i>Clinical Journal of the American Society of Nephrology</i>
2012	Participant, International Society for Pharmacoeconomics and Outcomes Research Vision 2020 Leadership Task Force
2011-2013	Member, Technical Expert Panel, AHRQ Pharmacy Survey on Patient Safety Culture (SOPS)
2011	Reviewer for <i>Journal of Aging Research</i> , <i>Current Medical Research and Opinion</i> , <i>Journal of Aging Research</i> , <i>Clinical Journal of the American Society of Nephrology</i>
2010	Member, Pharmacoeconomics National Faculty Council, Centocor Ortho Biotech Inc.
2010	Reviewer, <i>Clinical Therapeutics</i> , <i>Clinical Journal of Pain</i> , and <i>Journal of Pharmaceutical Health Services Research</i>
2010	Co-editor for <i>Journal of Facial Plastic Surgery</i> for special issue on economics and outcomes of plastic surgery
2009-present	Member, Student Chapter Faculty Advisor Council, International Society for Pharmacoeconomics and Outcomes Research
2007- 2008	Member, Quality Council, Stonybrook University Medical Center, Islip NY
2005-2007	Moderator, Research Presentation Sessions, Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research (ISPOR)
2004	Participant, Partnerships for Health: Informing Policy and Practice in

Pennsylvania. Harrisburg, PA. Meeting funded by the Agency for Healthcare Research and Quality and facilitated by Academy Health

2002 Reviewer, National Safety Council Annual Awards for Safety and Productivity

Licensure: Registered Pharmacist (Pennsylvania License # RP-042679-L); license is active

Awards and Honors:

2016 Pizzi L, Jutkowitz E, Marx K, Gitlin L. What are Family Caregivers Willing to Pay for an Intervention to Address Behavioral Symptoms? Selected for Ollie Randall Symposium (recognition given to “high-quality submissions that examine cutting-edge issues with broad implications for policy or practice”). Gerontological Society of America Annual Meeting, New Orleans LA, November 2016.

2015 Poster finalist ribbon, ISPOR Annual Meeting

2014 Excellence in Scholarly Research Award, Jefferson College of Pharmacy

2014 American Association of Colleges of Pharmacy (AACP) Teacher of the Year Award, Jefferson College of Pharmacy

2013 Poster finalist ribbon, ISPOR Annual Meeting

2013 Top Poster Award, American Association of Blood Banks (AABB) Annual Meeting

2013 Dean’s Faculty Achievement Award, Jefferson College of Pharmacy

2012 Best poster award, Challenges in Critical Care Conference, Pennsylvania Society for Critical Care Medicine (PASCCM)

2010 Poster finalist ribbon, ISPOR European Congress

2005 Best Podium Presentation, ISPOR European Congress

2003 Medstat Investigator Award

Memberships in Professional Societies:

International Society for Pharmacoeconomics and Outcomes Research (ISPOR)
American Pharmacists Association (APhA)
Pennsylvania Pharmacists Association (PPA)
American Society of Health-System Pharmacists (ASHP)

Current Research Support (March 2018):

NIH, CDC, CERUS Inc., Merck and Co. (Investigator Initiated Studies Program)
