

Other Work-Related Injuries or Exposures

If the injury is life threatening, call **911**.

1. All work-related injuries or exposures must be reported in the Rutgers Accident & Injury Reporting Database at <https://myrehs.rutgers.edu>

<http://myrehs.rutgers.edu>

2. The report may be submitted by a resident, program director, or supervisor.
3. The supervisor must contact Rutgers University Risk and Claims management in order to initiate the workers' compensation claim process and obtain authorization for treatment.
4. The EOHSI clinic is open M-F, 8AM to 4PM and closed on Rutgers' holidays. If immediate treatment is needed outside of working hours, go to the nearest emergency room.
5. If treatment is needed during working hours, the supervisor or employee must call EOHSI (848-445-0123) for an appointment.
