

Pre-placement exams

Pre-placement exams

When you schedule a pre-placement exam, please bring:

- A completed Employee Health Questionnaire. The questionnaire will be given to you by Human Resources.
- A record of you vaccinations*
 - COVID 19
 - Measles
 - Rubella
 - Varicella
 - Hepatitis B if drawing blood or doing procedures that may result in bloodborne pathogen exposure
 - Flu (during flu season either a record of vaccine or declination from)
- Your job/position description included your unit, institute, or school, and department
- A record of a recent TB skin test (if performed in the last year)*

* If missing vaccinations or a recent TB skin test, they will be provided.

Please call the clinic at **848-445-0123** to make an appointment for a pre-placement exam. If we are unable to answer the phone, please leave a message and we will return your call.

The clinic hours are **8AM to 4PM**. The last patient is scheduled at **3PM**.
