

Campus Wide Seminars in Biomedical Sciences

Weekly Calendar

November 12, 2018 to November 16, 2018

Time	Activity	Speaker	Seminar Title	Location	Host/Series
Monday, November 12, 2018					
12:35 PM	Seminar	Camille Delebecque, PhD Afineur/EATCultured	Fermentation Seminar: TBD	Lipman Hall Alampi Room	Host: Jessica Lisa
Tuesday, November 13, 2018					
12:00 PM	Seminar	Graziana Gatto, PhD Salk Institute	Dissecting the organization and logic of spinal corcuits for sensorimotor coding	Keck Center Conf. Room Nelson D-251	Host: Victoria Abraira, PhD
3:30 PM	Seminar	Mary Wooley Reserch!America	Your Role in Changing Hearts and Minds for Science	RWJMS Room V10	Host: Rutgers Egelton Institute of Politics
Wednesday, November 14, 2018					
12:00 PM	Seminar	Sagar Khare, PhD Rutgers University	Supervised Learning of a Viral Enzyme Substrate Specificity Landscape Using Deep Sequencing and Molecular Simulations	Proteomics Room 120	Host: Sijian Wang
12:00 PM	Seminar	Andrew E. Vaughan, PhD University of Pennsylvania School of Vaterinary Medicine	Dysplastic or Euplastic: Unexpected Players in Lung Regeneration After Influenza Injury	RWJMS, RT Room V10	Molecular Bioscience Graduate Student Organization Janet Adler, PhD
4:00 PM	Seminar	Nathan Cherrington, PhD The University of Arizona Cancer Center	Multiple Mechanisms of ADME Phenoconversion in NASH	EOHSI Conf. Room C	Host: EOHSI/NIEHS
4:00 PM	Cancer Center Ground Rounds	Ruiwen Zhang, MD, PhD, DABT University of Houston	Targeting MDM2 Oncogene for Cancer Therapy and Prevention	CINJ Auditorium A 1st floor	Host: Wenwei Hu, PhD

Campus Wide Seminars in Biomedical Sciences

Weekly Calendar

November 12, 2018 to November 16, 2018

Time	Activity	Speaker	Seminar Title	Location	Host/Series
Thursday, November 15, 2018					
8:00 AM	Conference	Keynote Address: Dr. Donald C. Lo NIH Case studies: Dr. Troy Messick Wistar Institute Dr. Scott Kachlany Rutgers University	2018 Regional Academic Drug Discovery Conference	Ernest Mario School of Pharmacy 160 Frelinghuysen Rd., Piscataway	Host: Vince Smeraglia
Friday, November 16, 2018					
9:15 AM	Seminar	Abdelfattah El Ouaamari, Ph.D. Rutgers University CHINJ	Sensory Neuromodulation of Pancreatic β Cells	Foran Hall Cook Campus	Host: Nick Bello, Ph.D.
9:30 AM	Symposium	Keynote Address: Paul G. Falkowski, PhD Rutgers University	STEM Community Outreach Symposium at Rutgers	Chemistry and Chemical Biology Building	Host: @STEMcosR
3:30 PM	Seminar	Ilena Perez-Rodriguez University of Pennsylvania	Fermentation Seminar: TBD	Lipman Hall Alampi Room	Host: Tamar Barkay
